

WHY WE BEAT THE COMPETITION

awdrentals.com/about-us/why-we-beat-the-competition/

AWD Rentals is your ideal car rental agency, offering you reliable and convenient service for all your transportation needs. **We want to offer you a unique, high-quality, and extraordinary experience**, so we made sure we were different than the competition.

With most car rentals, it is not uncommon to get a different car than the one you reserved or to be forced to pay for an extra day because you won't be back before the office closes. Other problems you might face when looking for a rental is trying to find a four-wheel drive (4WD) or all-wheel drive (AWD) rental or the hassle of trying to get from the airport to your car rental office. We understand all of the struggles you have to go through when looking for rentals in a strange town, which is why we made it our business to make the car rental process easier for you.

Here is why we beat the competition:

- At AWD Rentals, we ensure that **what you ordered for is what will be waiting for you** at the pickup point. We will not disappoint you with a different car!
- You also don't have to worry about any extra charges if you are late returning the rental; **we give you a two hour grace period to help with unexpected delays.**
- At AWD Rentals, **you can pick up your car at any time, day or night!**
- **Our shuttle will pick you up from the airport for free**, adding to your convenience.

24/7 Rentals

At AWD, our rentals are available anytime, day or night! We understand that our clients need to attend to their businesses at all hours, so we made sure to make it possible. We got your back all day and all night.

During business hours (from 8:00 AM to 8:00 PM local time), customers should come to our offices at 1624 S Pioneer Rd., Salt Lake City, UT 84104 or make inquiries at [\[email protected\]](#) **We'll even pick you up, so be sure to call or text ahead for a shuttle pickup!**

We also offer after-hours pick-ups from 8:00 PM – 8:00 AM upon prior agreement. Customers should proceed to the airport short-term parking lot. The car will have a coded magnetic key box attached in a convenient but discrete location on the vehicle (detailed instructions will be emailed out 24 hours before your scheduled pick-up time). After-hours customers will have to pay the parking fee to leave the short-term parking lot. The rate will vary, depending on how long the car has been there, but it will not be more than \$32.00.

At AWD, **24 hours is equivalent to one rental day, counted from the time you pick your car**. Should you fail to return your rental on time, we will give you a grace period of 2 hours after which you will pay a fine.

We Pick You Up

At AWD Rentals **we offer shuttle services from the following locations**: Park City, Heber Airport, SLC Airport, Ogden, Provo, West Valley City, and West Jordan

We also operate a complimentary shuttle service to and from the Salt Lake International Airport.

But before you request for the shuttle bus, please ensure that:

- You have picked your luggage
- You called 801-906-9181 to ask for a shuttle
- You will be waiting at the Off Airport Shuttle Pickup

To find the Off-Airport Shuttle Pickup do the following: from the baggage claim, you will proceed through the glass doors onto the curb to the rental shuttles outside the car rental lobby, and your ride will be waiting for you, clearly marked AWD rentals.

Your Vehicle Reservation is Guaranteed

We ensure that at AWD Rentals, our customers get the exact car they reserved; we do not compromise on that. So if you reserve a Subaru Outback, that's what you're getting—not a Subaru Impreza, not a Honda CRV, and **with no extra charge for that guarantee.**

Every Vehicle is AWD or 4WD, Guaranteed

Our fleet consists of both AWD and 4WD rental cars. ***That means you are always assured of the perfect car for the weather and the terrain,*** anywhere or anytime.
